d. Review process must be repeated each time the Chapter/Association signs a new contract.

Please note that it could take up to 30 business days for the entire review process to be finalized. This is because the National Office, James R. Favor & Co. and the vendor must confirm that the contract is mutually agreeable.

Check any of the elements that apply to your event. Based on your choices certain drop down sections will be revealed.

If alcohol will be present at the event.

Phi Sigma Pi National Honor Fraternity discourages but does not prohibit, the use of alcoholic beverages at any Phi Sigma Pi sponsored event, function or meeting, with the exception of New Member and/or Initiate Events. Although, if alcohol is present, Members must follow the proper event planning steps available in the <u>National Risk Management Policy</u>. Illicit use of controlled substances as defined by state and federal law at any Phi Sigma Pi sponsored event, function or meeting is prohibited. All Chapters must adhere to the <u>Phi Sigma Pi Alcohol and Illegal Substance Policy</u>. Additional alcohol policies and best practices can be <u>reviewed here</u>.

A third party vendor must be used to provide alcohol during the event and the <u>third party vendor</u> <u>guidelines</u> and <u>checklist</u> must be adhered to. Before signing a contract with a third-party vendor please submit all documents for review.

a. All concerns and required revisions to the contract will be shared with the Chapter/Association representative.

b. Chapter/Association representative will be responsible for sharing all required revisions of the contract to the third-party vendor they have chosen to work with.

c. Revised contract will need to be submitted for final approval to the National Office.

d. Review process must be repeated each time the Chapter/Association signs a new contract.

Please note that it could take up to 30 business days for the entire review process to be finalized. This is because the National Office, James R. Favor & Co. and the vendor must confirm that the contract is mutually agreeable.

If transportation and/or going off-campus will be a part of the event.

If a third-party transportation company will be used, please submit all documents for review, before signing any contracts.

a. All concerns and required revisions to the contract will be shared with the Chapter/Association representative.

b. Chapter/Association representative will be responsible for sharing all required revisions of the contract to the third-party transportation company they have chosen to work with.

c. Revised contract will need to be submitted for final approval to the National Office.

d. Review process must be repeated each time the Chapter/Association signs a new contract.

Please note that it could take up to 30 business days for the entire review process to be finalized. This is because the National Office, James R. Favor & Co. and the vendor must confirm that the contract is mutually agreeable.

If Members will be driving their own vehicles, all drivers must complete the Volunteer Driver Statement. Please submit these to riskmanagement@phisigmapi.org before the event date.

If evidence of insurance is required.

The National Office does not condone Chapters/Associations participating in events that includes a vendor, rental property, animal shelter, etc. requesting to be added as "additional insureds" on Phi Sigma Pi's insurance policy. What this means is that these groups are requesting to be covered by Phi Sigma Pi's National insurance policy, should an unfortunate event (this includes a Member or an event participant being bitten while interacting with an animal) occur while the Chapter/Association is participating in/hosting the event.

If an athletic event will be part of the event.

As stated in the <u>National Risk Management Policy</u>, the Chapter/Association must have each participant complete a liability form with emergency contact information. The emergency contact information must be destroyed 24 hours after the event and the liability form portion must be archived for one year and then properly destroyed. Sample forms can be found <u>here</u>.

Because this is an athletic event, there is no medical insurance coverage provided to attendees of the event. Each individual attendee is responsible for securing and maintaining their own medical coverage. Please note this with the attendees.

If animals are to be a part of the event. However, most if not all events that will have animals present will not be approved. For alternatives or for more clarification, please email riskmanagement@ phisigmapi.org. The National Office does not condone Chapters/Associations participating in events with animals, unless both the National Fraternity and the Chapter/Association are listed as "additional insureds" on a partnering organization's insurance, such as The Humane Society. Animals can be unpredictable, leading to possible unexpected injury to those handling them outside of their natural environment.

1. Before confirming and advertising an event with animals please contact the National Office at riskmanagement@phisigmapi.org with event details.

a. Chapter/Association will be responsible for securing a certificate of insurance from the organization they are partnering with such as, their local university or animal shelter/humane society which names the national entity of Phi Sigma Pi and the local Chapter/Association as "additional insureds" on their policy.

b. A copy of the certificate of insurance must be submitted to the National Office 10 business days in advance of the scheduled event.

c. The National Office will submit the final certificate of insurance to James R. Favor & Co. for archive purposes.

d. Chapter/Association will continue to work with the National Office to ensure safe planning and execution of the event.

2. Please note that it could take up to 30 business days for the partnering organization's insurance company to issue a certificate of insurance that complies with Phi Sigma Pi standards.

If part of the event will take place on the water.

The National Office does not condone Chapters/Associations participating in events that are held on the water, i.e. kayaking, tubing, paddle boats, a boat, a dinner cruise, a yacht, etc. Due to the liability and insurance risks, any activities taking place on the water, <u>liability waivers and emergency contact forms</u> must be completed by all participants. Any event held on a watercraft larger than 58 feet in length will require special event insurance to be purchased. The cost of the special event insurance starts at \$1,000. If the Chapter/Association would like to get a quote for the special event insurance for an event email riskmanagement@phisigmapi.org.

If event does not match any of the "check all of the apply" components. The form may still be completed. The Event Planning Form serves as evidence of the Chapter's/Association's planning. Your Chapter/Association is encouraged to have an event planning process in place for all Official Chapter/Association events that do not meet the above criteria. A planning process should be completed to ensure:

- the Chapter/Association understands the organization's policies and procedures related to the event
- · the event meets budget guidelines
- . the event has Chapter/Association approval and can be placed on the Chapter calendar
